

The Guy Who Wouldn't Shut Up

Theme:JUSTICE

FINALLY arrested by our government.

"Plotting to overthrow" same.

Though he couldn't overthrow  
a pile of empty shoe boxes.

Interrogated by a firm whose last  
contract was in Bathroom Refinishing.

Unfortunately a craftsman, threatening with  
a pipe used in his previous work, followed  
through when told to stop short.

With professionals, more cat and mouse,  
not rat bashing.

Not an exceptional outcome.

Except for the Free Market.
